

(ii) If the member is providing mortgage financing to the household, the member will provide financial or other incentives in connection with such mortgage financing, and the rate of interest, points, fees, and any other charges by the member will not exceed a reasonable market rate of interest, points, fees, and other charges for a loan of similar maturity, terms, and risk; and

(iii) Funds received by the member for homebuyer counseling costs will be provided according to the requirements of § 951.5(a)(7).

(c) *Competitive application program—*

(1) *Time limit on use of subsidies.* If AHP subsidies approved for a project under a Bank's competitive application program are not drawn down and used by the project within the period of time specified by the Bank in its AHP implementation plan, the Bank shall cancel its approval of the application for the subsidies and make the subsidies available for other AHP-eligible projects.

(2) *Compliance upon disbursement of subsidies.* A Bank shall verify prior to its initial disbursement of subsidies for an approved project, and prior to each disbursement thereafter, that the project meets the eligibility requirements of § 951.5(b) and all obligations committed to in the approved application.

(3) *Changes in approved AHP subsidy amount where a direct subsidy is used to write down prior to closing the principal amount or interest rate on a loan.* If a member is approved to receive a direct subsidy to write down prior to closing the principal amount or the interest rate on a loan to a project and the amount of subsidy required to maintain the debt service cost for the loan decreases from the amount of subsidy initially approved by the Bank due to a decrease in market interest rates between the time of approval and the time the lender commits to the interest rate to finance the project, the Bank shall reduce the subsidy amount accordingly. If market interest rates rise between the time of approval and the time the lender commits to the interest rate to finance the project, the Bank may, in its discretion, increase the subsidy amount accordingly.

(4) *AHP outlay adjustment.* If a Bank reduces the amount of AHP subsidy approved for a project, the amount of such reduction shall be returned to the Bank's AHP fund. If a Bank increases the amount of AHP subsidy approved for a project, the amount of such increase shall be drawn first from any currently uncommitted or repaid AHP subsidies and then from the Bank's required AHP contribution for the next year.

(5) *Project sponsor notification of re-use of repaid AHP direct subsidy.* Prior to disbursement by a project sponsor of AHP direct subsidy repaid to and retained by such project sponsor pursuant to a subsidy re-use program authorized by the Bank under § 951.12(e)(2), the project sponsor shall provide written notice to the member and the Bank of its intent to disburse the repaid subsidy to a household satisfying the requirements of this part and the commitments in the approved AHP application.

§ 951.11 Long-term monitoring requirements.

(a) *Rental projects.* For purposes of monitoring a rental project, Banks, members, and project owners shall carry out their long-term monitoring obligations pursuant to one of the three methods set forth in this paragraph (a).

(1) *Reliance on monitoring by a federal, state or local government entity.* For those projects that receive funds from, or are allocated federal Low-Income Housing Tax Credits by, a federal, state, or local government entity, a Bank may rely on the monitoring by such entity if:

(i) The income targeting requirements, the rent requirements, and the retention period monitored by such entity for purposes of its own program are the same as, or more restrictive than, those committed to in the AHP application;

(ii) The entity agrees to inform the Bank of instances where tenant rents or incomes are found to be in non-compliance with the requirements being monitored by the entity or where the project is not habitable; and

(iii) The entity has demonstrated and continues to demonstrate to the Bank its ability to carry out monitoring under its own program, and the Bank does not have information that such monitoring is not occurring or is inadequate.

(2) *Reliance on monitoring of AHP application commitments by a contractor.* For those projects that receive funds from, or are allocated federal Low-Income Housing Tax Credits by, a federal, state, or local government entity that monitors for income targeting requirements, rent requirements, or retention periods under its own program that are less restrictive than those committed to in the project's AHP application, a Bank, in its discretion,

may rely on the monitoring by such entity if:

(i) The entity agrees to monitor the income targeting requirements, the rent requirements, and the retention period committed to in the AHP application;

(ii) The entity agrees to inform the Bank of instances where tenant rents or incomes are found to be in non-compliance with the requirements committed to in the AHP application or where the project is not habitable; and

(iii) The entity has demonstrated and continues to demonstrate to the Bank its ability to carry out such monitoring, and the Bank does not have information that such monitoring is not occurring or is inadequate.

(3) *Long-term monitoring by the Banks, members, and project owners.* In cases where a Bank does not rely on monitoring by a federal, state, or local government entity pursuant to paragraphs (a)(1) or (a)(2) of this section, the Bank, members, and project owners shall monitor rental projects according to the requirements in this paragraph (a)(3).

(i) *Requirements for project owners.* In the second year after completion of a rental project and annually thereafter until the end of the project's retention period, the project owner must:

(A) Certify to the Bank that:

(1) The tenant rents and incomes are in compliance with the rent and income targeting commitments made in the AHP application; and

(2) The project is habitable; and

(B) Maintain documentation regarding tenant rents and incomes and project habitability available for review by the Bank, to support such certifications.

(ii) *Requirements for members.* For rental projects receiving \$500,000 or less in AHP subsidy from a member, during the period from the second year after project completion to the end of the project's retention period, the member must certify to the Bank at least once every three years, based on an exterior visual inspection, that the project appears to be suitable for occupancy.

(iii) *Requirements for Banks—(A) Certifications received by the Bank.* Each
